

All player information collected by the Regina Ringette Association will be kept confidential and secure.

Player information collected during Registration will be used and distributed as follows:

- Commissioners will receive player first & last names, parent(s) name and phone number for all players in their Division.
- Coaches will receive player first & last names for all players in their Division. They will also receive parent(s) name and phone number for all players drafted to their team.
- Saskatchewan Liquor & Gaming Authority will receive player first & last names and birthdates for all players in the Bunny through Open Divisions.
- Ringette Association of Saskatchewan will receive player first & last names, address, phone number, birth date, health card number, e-mail address (of new players) for all players registered with RRA.
- Mailing labels containing family name & address will be provided as needed for RRA Board related business such as Newsletter and survey distribution.

Any additional party wanting access to player information will be required to complete a Request for Information Form for approval. Player information will not be provided for any non-Ringette related purposes.

The Request for Information Form can be submitted for approval to:

registration@reginaringette.sk.ca
